The Minister of Public Health hereby informs the health personnel of the Medical corps and the public that the organization called "Syndicat des Médecins du Cameroun (SYMEC)", which called for a strike action by medical doctors all over the national territory as from 17 April 2017 does not yet have a legal existence, in conformity with Law No. 68/LF/19 of 18 November 1968 on professional associations or trade unions not governed by the Labour Code.

Therefore, he wishes to warn the executive committee of this new organization against the non-compliance with the law and activities that are contrary to administrative ethics and deontology

Minister André MAMA FOU DA invites medical doctors to go about their daily activities peacefully while meeting the performance level expected from them.

The Minister of Public Health

André MAMA FOU DA
