## PRESS RELEASE

The Minister of Public Health informs the public that on Very High Instructions of His Excellency the President of the Republic, the sum of FCFA one billion has been disbursed for the country's supply of traditional vaccines with priority given to BCG.

On behalf of the target populations, Andre Mama Fouda expresses deep gratitude to the Head of State who always has his heart set on free vaccination of children under 5 years of age, based on the vaccination calendar.

All measures have been taken for activities to return to normal as soon as possible.
